

Minutes of the Meeting of South Killingholme Parish Council held on Monday 7th Feb 2022, commencing at 6.00pm at the Community Centre Moat Lane Sth. Killingholme.

Present: Chair: Cllr K. Hesketh, Vice Chair Cllr Evans, Cllr Hull, Cllr White, Cllr Robinson, Cllr Oldfield, Cllr Edwards, Cllr Coxon, .Ward Cllr Wells
Clerk: Jayne Gale

1. **Apologies:** Cllr Price, Cllr Clark, Cllr Hannigan
2. **Declaration of interest:** Cllr Edwards will step out on vote on keys.
3. **ABP presentation on new developments on the port at South Killingholme/Immingham.** Consent order beyond normal planning, Immingham. Stenna will be moving from Killingholme to Immingham. Terminal will divert all traffic to Immingham away from A160. May reduce some lorries around this area. Taking advantage of deep water channels. Shipping containers from continent and the far-east, roll on and roll off freight. Stenna want to bring in large vessels on Eastern side of port. Construction using land that is already in use. New marina using floating pontoons. Main entry will be road based. Consent orders going through means statutory consultation within area and comments welcome. Impact assessment before application. Submit in June to planning inspectorate who will make a recommendation to Sec of State for Transport. Hearings for the public. Summer 2023 development consent. May 2025 ready for Stenna. Questions answered: When lorries leave dock will they go via Stallingborough? Yes, via Queens Rd. Immingham. 4 birth fully laden 300 trailers x2 per ship. Staggered exit. How can ABP be sure A160 not utilised? Signage via National highways agency. More facilities for drivers? They won't come via A160. Haulier will be given a slot for arrival and departure, so over-night stays not expected. Tachometer stops? No plans for facilities, ABP can't see a need for it. Pick up and deliver at set times. So the lorries stopping now over-night are servicing a different market. What's to stop drivers taking a short cut through A160? ABP do not want that and will try hard not to let that happen. Well signposted coming out of port? Absolutely ABP will control that as drivers exit port. Lights on highways A180/A160? Yes can discuss that. Also no signage on roundabout itself? Useful information to take back. Customs houses plans? New border control post operational by July outside of Eastern gate Immingham. Killingholme Port has a new one not belonging to ABP. All online on website with feedback form. Electric cabling DFDS? Cllr Wells expanded on question enquiring about experimental electric red cabling? This was a quick trial on trains. Did not work, but nothing to do with ABP. Rail will not continue on that route. Too expensive. Human faeces and urine around village a worry. New Truck Stop earmarked for Barnetby Top. More environmental mitigation? noted and will be fed back.
4. Parish Council Standing Orders are suspended to allow members of the public and press to make comments and representations for a period of 15 minutes One member of the public present; paths are a state has to drive dare not walk around the village. Cllr Oldfield struggles on scooter. Cllr Evans has repeatedly reported faults. Cllr Wells suggested the more people who report on the online portal the higher it moves up the priority list.
5. **Adoption of the minutes** from the previous meeting. Proposed by Cllr Hull Seconded Evans All in favour
Resolved
6. **Matters arising from the minutes.** Last month discussed budget but precept was discussed too. Next year request to clerk to make it more obvious on agenda that precept would be voted on. Parking on paths draft letter still to format.
7. **Ward Councillors updates**
Cllr Wells; the more people report paths it goes higher up list of priorities. He will bring up parking on paths at NATS. He stated Nth Lincs Council sets precept SKPC set the budget. Verge damage opposite the park, matting run out at NLC. Put grass back or tarmac? Discussed: Tarmac agreed.
